

# Accessing to the subscribers list who are registered through Dynamic Web Forms.

This is one of the most common questions we frequently receive is, “where can we view the list of profile who are registered through dynamic web forms? ” . The answer is, you can view the subscriber’s list by going through the two steps mention as follows:

## Logon to Web Form under Admin :

Logon to Admin => Site => Manage Web Forms and the following user interface will appear to you. Click on “eye” icon indicated below to get access to the subscriber’s list registered through respective forms shown below.

The screenshot shows the 'Manage Web Forms' interface. At the top, there are navigation tabs: HOME, USERS, SITE, CONTENT, MENU, TRAVELS, MODULES, SETUP, UTILITY, HELP. Below these, there are buttons for 'Create New', 'Publish', 'Unpublish', and 'Delete'. A sidebar on the left contains 'User' related options: User Profile, Users, Search Users, Add Users, User Groups, Custom Form List, and Change Password. The main area displays a table with 20 records. The table has columns: ID, Form Name, Entry By, Assigned Role(s), Publish, and Action. A red arrow points to the 'eye' icon in the Action column of the 6th row, labeled 'Appointment'.
